

Safety And Regulatory Information

Safety & Regulatory Information
The following sections contain notices for various countries:

Caution
This product is intended for use with FCC/CE certified computer equipment. Please check the equipment operating/installation manual and/or with the equipment manufacturer to verify/confirm if your equipment is suitable prior to the installation or use of the product.

Notice for USA
FCC Part 15: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

Caution
To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be installed with computer equipment certified to comply with Class B limits. All cables used to connect to the computer and peripherals must be shielded and grounded. Operation with non-certified computers or non-shielded cables may results in interference to radio or television reception.

Modification
Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

Notice for Canada
This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Canadian Class B Statement
This digital device does not exceed the Class B limits for radio noise emissions from digital apparatus as set out in the interference-causing equipment standard entitled "Digital Apparatus," ICES-003 of the Department of Communications.

Cet appareil numérique respecte les limites de bruits radioélectriques applicables aux appareils numériques de Classe B prescrites dans la norme sur le matériel brouilleur: "Appareils Numériques," NMB-003 edictée par le ministre des Communications.

MODIFICATION:
Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.
Toute modification non approuvée explicitement par le fournisseur de licence de l'appareil peut entraîner l'annulation du droit de l'utilisateur à utiliser l'appareil.

State of California Proposition 65:
WARNING: Handling this product may expose you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
Wash hands after handling.

Explanatory Note
California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires special product labeling for products containing certain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Creative has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With Creative's products, the exposure may be below the Proposition 65 level of concern, or could even be zero. However, out of an abundance of caution, Creative has elected to place the Proposition 65 warning on its products.

Declaration Of Conformity

Manufacturer / Importer's Name: **Creative Labs, Inc.**

Manufacturer / Importer's Address: **1901 McCarthy Boulevard
Milpitas, CA. 95035
United States
Tel: (408) 428-6600**

declares under its sole responsibility that the product

Trade Name: **Creative Labs**

Model Numbers: **MF1610**

has been tested according to the FCC/CISPR22/97 requirement for class B devices and found compliant with the following standards:

**EM/EMC: ANSI C63.4 2003, FCC Part 15 Subpart B
Complies with Canadian ICES-003 Class B**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesirable operation.

Ce matériel est conforme à la section 15 des règles FCC. Son Fonctionnement est soumis aux deux conditions suivantes:

1. Le matériel ne peut être source D'interférences et
2. Doit accepter toutes les interférences reçues, Y compris celles pouvant provoquer un fonctionnement indésirable.

Specifications
Creative GigaWorks T20 Series II
Power output
Satellite speaker:
14 watts RMS per channel
Signal-to-Noise Ratio (SNR):
80dB
Frequency Response:
50Hz - 20kHz
For 20V AC input
This product operates from the supplied 20V AC 1.1A power adapter.
For 27V DC input
This product operates from the supplied 27V DC 1.7A power adapter.

Özellikler
Creative GigaWorks T20 Series II
Ses çıkışı
Satellite hoparlör:
Kanal başına 14 W RMS
İşaret-Gürültü Gücü Oranı:
80 dB
Frekans Yanıtı:
50 Hz ~ 20 kHz
20V AC giriş için
Bu ürün, birlikte gönderilen 20V AC 1.1A güç adaptöründen gelen güçle çalışır.
27V DC giriş için
Bu ürün, birlikte gönderilen 27V DC 1.7A güç adaptöründen gelen güçle çalışır.

Spécifications
Creative GigaWorks T20 Series II
Sortie de l'alimentation
Haut-parleur satellite:
14 watts RMS par canal
Rapport signal/bruit:
80dB
Réponse en fréquence:
50Hz - 20kHz
Pour l'entrée en courant alternatif de 20 V
Ce produit fonctionne avec l'adaptateur d'alimentation fourni de 20 V ca / 1,1 A.
Pour l'entrée en courant continu de 27 V
Ce produit fonctionne avec l'adaptateur d'alimentation fourni de 27 V cc / 1,7 A.
